

**Boost Your Summer Forum Participation**  
**2019 Summer Educational Forum**  
**August 18 – 20, 2019 Omni Frisco, Frisco, Texas**

Our theme is “Secure Retirement: Reach for the Stars;” TEXPERS is proudly celebrating our 30<sup>th</sup> Anniversary in 2019.

We have a wide variety of opportunities for participation at all levels. Sponsorship is open to members only – Thank you for your support of TEXPERS!

### **Our sponsorship menu:**

- **Investment Insights Arena:** This is a new opportunity that provides a 10-minute sales and marketing presentation during various times on Monday in a designated spot on the exhibit show floor. Contact Barbara for more information. (\$2,200)
- ~~**Bus Sponsorship:** This is a new opportunity that provides a brief speaking opportunity along with the chance to play a corporate video on the busses transporting members to and from the Sunday night Member’s Dinner Party. (\$2500) **SOLD**~~
- ~~**Gold Keynote Sponsor (30 minute opening general session): \$7,500 **SOLD****~~
- **Gold Sponsors** (25 minute solo spot during the general sessions on Monday): \$5,000 (**one remaining!**)
- **Silver Sponsors** (a spot on a panel sharing 50 minutes with two other panelists during a breakout session in the afternoon on Monday; *see available panels listed below*); \$2,500.
- **Bronze Sponsorship** – Recognition only. \$1,500

**Sponsors are recognized on the web site, in attendee emails, in the printed program, in the conference app and on scrolling displays throughout the conference.**

*Remember that conference sessions must be strictly educational in nature. No marketing is allowed!*

### **Panels and Topics:**

- For the Gold solo spots, we look for topics that are not asset class specific and are more of a “outlook” and future-oriented or a pension fund best practice that we could dive into. If Gold Sponsorship is of interest, give some thought to your topic ideas and your firm’s best speakers!
- The Future of Investment Management: how will technology affect how pension invest, including artificial intelligence, block chain and crypto currencies
- Working on these panels:
  - Core Plus Real Estate.
  - Liquid Alternatives
  - Diversifying through Uncorrelated Asset Classes
- Interested one more hot topics to plug into open breakout sessions spots. If you have a topic you’d like to suggest, please send me an email!

Let me know any questions or your interest in participating. And, as always, thank you very much for your support of TEXPERS through your Associate membership.
